

CTI BOOT CAMPS

CONTACT US TODAY!

ENGAGE, ENABLE AND ENERGIZE YOUR TEAMS IN THE CHANGE AND TRANSFORMATION PROCESS

CTI'S BOOT CAMPS are experiential and motivating events that jump start strategic projects, cultural change and engage the workforce.

"CTI and its Physician Leadership Institute had a significant and positive impact on our physicians. Not only did they learn essential leadership skills, such as how to collaborate with others and think strategically, they were able to apply those skills immediately to projects that address important, real-world objectives for our health system."

- Kim Miller, CEO, Beaver Dam Community Hospital
